## GRADUATE PROGRAM

DEPARTMENT OF ARCHITECTURE AND PLANNING  
FACULTY OF ENGINEERING - UNIVERSITAS GADJAH MADA

## PROGRAM SECRETARIAT

Department of Architecture and Planning  
Faculty of Engineering,  
3rd floor north wing  
Universitas Gadjah Mada  
Jalan Grafika No. 2  
Yogyakarta 55281, Indonesia

## TEACHING STAFF

Dr.Eng. IrAhmad Sarwadi, M.Eng., IPM.  
(S3 - Kyoto University, Jepang)

Alyas Abibawa Widita, S.T, M.S., Ph.D  
(S3 - Geogia Institute of Technology US)

Ardhya Nareswari, S.T., M.T, Ph.D  
(S3 - Kobe University, Jepang)

Atrida Hadiani, S.T., M.Sc., Ph.D  
(S3 - Kyoto University, Jepang)

Prof. Ir Bambang Hari Wibisono, MUP, M.Sc., Ph.D  
(S3 - University of Melbourne, Australia)

Diananta Pramitasari, S.T, M.Eng., Ph.D  
(S3 - Kyushu University, Jepang)

Doddy Aditya Iskandar, S.T, MeRSA., MCP, Ph.D  
(S3 - University of Louisville, US)

Dr. Dyah Titisari Widyastuti, S.T, MUDD  
(S3 - Universitas Gadjah Mada)

Ir. Ikaputra, M.Eng., Ph.D  
(S3 - Osaka University, Jepang)

Dr.Eng. M. Sani Roychansyah, S.T, M.Eng.  
(S3 - Tohoku University Jepang)

Dr.Eng. Nedyomukti Imam Syafii, S.T, M.Sc.  
(S3 - Tokyo Metropolitan University, Jepang)

Syam Rachma Marcillia, S.T, M.Eng, Ph.D  
(S3 - Tokyo Institute of Technology, Jepang)

## MASTER IN URBAN DESIGN

As part of Universitas Gadjah Mada (UGM), Master in Urban Design has the integrity to commit to the interests of the nation and humanity, inspired by the nation's cultural values based on Pancasila. Our commitment is in line with the vision of Universitas Gadjah Mada as a pioneer of world-class national universities that are distinguished and innovative, serving the interests of the nation and humanity inspired by the nation's cultural values based on Pancasila, and with strategic goals that lead to the integration of the Postgraduate Program as the backbone (Renstra UGM 2017 -2022).

As part of the Faculty of Engineering, Master in Urban Design is also committed to having an active role in cities engineering; sustainable, cultured, and people-oriented built environment; and following the development and application of science and technology. As part of the Department of Architecture and Planning, Master in Urban Design is committed to being the center of excellence in the scientific and professional development of the urban design field, especially in the Indonesian urban context, as well as being the reference for Asian cities and the world—Indonesian Urban Context for Asia Region and World References.

**TUITION FEE** : IDR 11.000.000,00 each semester  
Study Period : 4 semesters

Degree granted : MUD.

## ADMISSION REQUIREMENT

1. Have an undergraduate diploma (photocopy of a legalized diploma, undergraduate diploma or equivalent from an accredited study program in the field of science that is suitable and / or related to the master program to be followed). Special applicants for foreign graduates must have a diploma equalization document from DIKTI. Certificate of Graduation is not valid.
2. Photocopy of legalized transcript.
3. Have original transcript or legalized photocopy of transcript.
4. Certificate of accreditation of the study program at the undergraduate level or equivalent.
5. Certificate of Academic Potential Test results with a minimum score of 450 and proven by a valid certificate, which is a maximum of 2 years from the date of issuance of the certificate.
6. Confidential recommendations from 2 (two) people who know prospective student at the previous level of education, academic advisors and/or other people who are considered authorized.
7. Health certificate from a hospital, health center or clinic that has a license from the government or private.
8. A projection of prospective student's wishes in joining the Master Program which contains, among others, plans for research topics or interests as well as reasons and expectations for joining the chosen program, plans for research topics, and plans after completing the course.

All formats and further information can be downloaded at [www.um.ugm.ac.id](http://www.um.ugm.ac.id).

## COURSES

SEMESTER 1	CREDIT UNIT
Theory in Urban Design	2
Method in Urban Design	2
Principle and Standard in Urban Design	2
Urban Design Studio: Basic Exploration	6
Philosophy of Science	1

SEMESTER 2	CREDIT UNIT
Issues in Urban Design	2
Urban Design Management	2
Urban Design Studio: Comprehensive Exploration	6
Research Methodology in Urban Design	2
Elective Course 1	2

SEMESTER 3	CREDIT UNIT
Pre-Thesis	2
Elective Course 2	2
Elective Course 3	2

SEMESTER 4	CREDIT UNIT
Thesis	8
